Do you still have doubts?

THE BEST WAY IS TO GO TO THE FIRST CLASS AND ASK THE PROFESSOR by showing your Learning Agreement (LA) and checking with them if the course code in your LA is the same as their class code.

IF you chose

- Workshops of Education, or
- Languages Courses:

Pay attention!

- Workshops of EDUCATION: Erasmus students cannot participate in laboratories of Education since they belong to a restricted access program and they have no more vacancies in the labs.
- Courses of Languages: most often they are full-year courses but Erasmus students can attend one semester only (if their mobility is half-yearly)
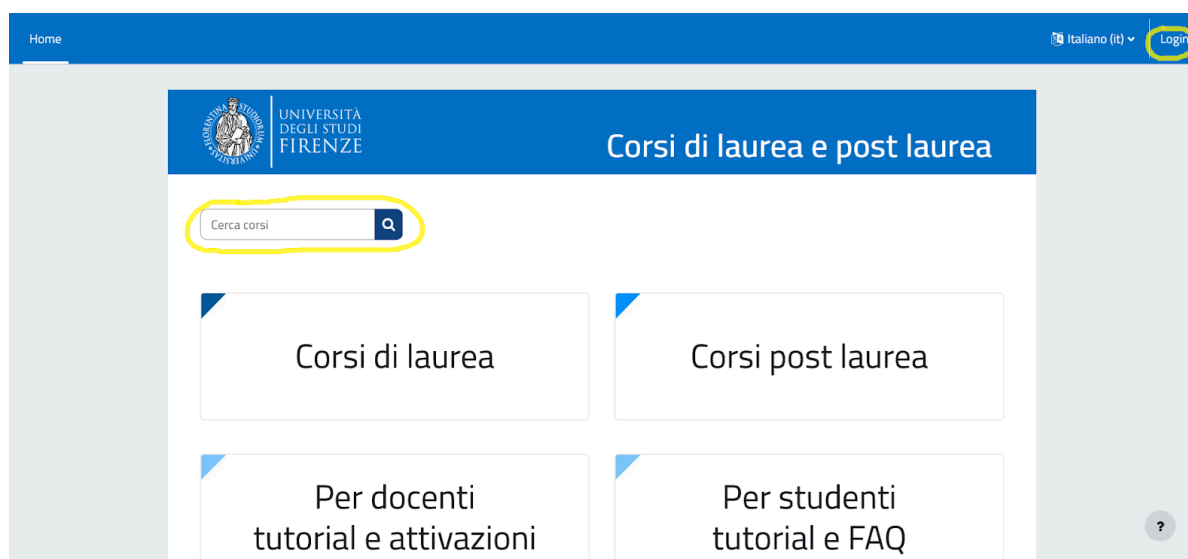

WHAT TO DO:

Get in touch with the teacher AT THE BEGINNING OF THE SEMESTER

to agree on extra academic material (instead of the workshops) or examination modes (reduction of CFU/program for Languages)

2) MOODLE: what is it?

Moodle is an online platform where the professors share material from their classes, assign tasks and give information to students regarding their exams.

It is therefore necessary that you enroll to your courses on Moodle: https://e-l.unifi.it/

DO the LOGIN (on the top right side) with your student number and password.

Search for your course in CERCA CORSI.

PAY ATTENTION TO THE ACADEMIC YEAR, PROFESSOR AND COURSE CODE:

Enter the course and enroll in it: some courses require a key to enroll in them.

The teacher usually gives students the key to enroll in their Moodle Page during the first days of classes. Therefore, ask the professor what is the key needed to enroll in their course page on Moodle.

N.B: If you have not received your student number yet, and therefore are unable to enroll in courses on Moodle, the professor can **admit you as a guest** to their Moodle course page, but you need to **ask them**.

3) CHANGES to your OLA

After starting classes, you may change the courses that do not suit you, but remember that you are allowed to make *changes* to the original study plan **just one time per semester**. Therefore, we advise you to make changes after the beginning of classes.

Check the periods in which you can submit a request to change your OLA at the following link: https://www.st-umaform.unifi.it/p361.html

YOU MUST SUBMIT YOUR REQUEST FOR *CHANGES* BEFORE THE DEADLINE. Late requests cannot be accepted.

The *changes* must be submitted through EWP, by modifying the original OLA. They need to be signed and approved by both parties (your home university and the University of Florence).

4) EXTENSION of your period of mobility

You can ask for an extension of your study period if you need more time to retake exams or you want to stay one more semester. Please note that you must do that within one month of the end of your initial departure date. The extension can be up to a period of 12 months but be reminded that you have to finish your Erasmus mobility **by the end of July**.

Here is the procedure for extending your mobility:

1. Download the form from our page Modulistica in Erasmus Exchange students section (Incoming)
2. Fill in the form and send it to your University's Erasmus coordinator, asking them to sign and stamp it
3. Send us back the form signed and stamped by your Home Institution by email for our approval
4. Please note that forms without the Institution's stamp cannot be processed.
